MJ Consulting: Education, Training, and Services is a dedicated agency offering comprehensive education, training, and consultation services to individuals, families, professionals, and organizations. Our mission is to support those navigating the complexities of the child welfare and criminal legal systems. We pride ourselves on a team of diverse expert consultants, including attorneys, professors, social workers, treatment providers, psychologists, and individuals with lived experiences. At MJ Consulting, we place humanity at the core of our advocacy efforts. Our consultants excel in transformational development, ensuring the protection and promotion of the civil rights of families.

MJ Consulting is a committed agency that provides comprehensive education, training, and consulting services to individuals, families, professionals, and organizations. Our mission is to guide and support those facing the complexities of the child welfare and criminal justice systems. With a diverse team of expert consultants—including attorneys, professors, social workers, treatment providers, psychologists, and those with lived experiences—we bring a wealth of knowledge and practical insights.

At MJ Consulting, our advocacy efforts are driven by a deep commitment to humanity. Our consultants specialize in transformational development, working to protect and advance the civil rights of families.

Our Approach

At MJ Consulting Education, Training, and Services, we accomplish our mission through a multi-faceted approach including:

Comprehensive Education & Training: We provide tailored education and training programs designed to equip individuals, families, and professionals with the knowledge and skills to navigate the child welfare and criminal justice systems effectively. Our training addresses the unique challenges faced by our clients and promotes a deeper understanding of these complex systems.

Expert Consultation: Our team of diverse professionals—including attorneys, educators, social workers, psychologists, treatment providers, and individuals with lived experiences—offers expert consultation services. We deliver personalized guidance to help clients make informed decisions, overcome obstacles, and achieve positive outcomes.

Advocacy and Civil Rights Protection: With a focus on transformational development, we are committed to advancing the civil rights of families. Our advocacy efforts prioritize humanity, ensuring that every client's voice is heard, and their rights are upheld throughout their journey.

Collaborative Approach: We work closely with stakeholders from various fields to develop comprehensive solutions that address systemic issues. By fostering collaboration and partnerships, we create sustainable change and improve outcomes for those we serve.

Compassion and Commitment: At the heart of our work is a deep sense of compassion and commitment to the well-being of our clients. We believe in providing personalized support that respects the dignity and humanity of every individual and family we serve.

Through these methods, MJ Consulting strives to empower and uplift those we work with, driving meaningful change and promoting justice and equality.

Agency Support Services
